AIS International School

AIS Scholarship programme

AIS Scholarships are more than just financial aid; they are a means to chase dreams and aspirations. At our AIS International school, we believe in the transformative power of education. Scholarships open doors to a world of knowledge, growth, and exploration.

We are proud to offer a range of scholarships, designed to recognize and support exceptional individuals. Our AIS International school creates a pathway to education while inspiring excellence and determination. Begin your fruitful journey with our international school scholarships, fostering the development of international students.

AIS is offering a limited number of academic scholarships for prospective and existing students in the following year groups and categories:

AIS Scholarship Application and Selection Process

Our structured and transparent process ensures that scholarships are awarded fairly and to the most deserving candidates, upholding the integrity and objectives of the AIS Scholarship program.

1. Application Submission

Prospective candidates for the AIS Scholarship must submit a comprehensive application, which includes the following documents:

a. Completed scholarship application form
b. Certified copies of academic transcripts
c. Letters of recommendation
d. Personal statement or essay
e. Proof of extracurricular activities or community service
f. Financial need documentation (if applicable)

All applications must be received by the specified deadline. Late or incomplete applications will not be considered.

2. Document Verification by Registry

Once applications are received, the Registry Office undertakes the initial verification process. This includes:

a. Checking the completeness of each application
b. Authenticating academic transcripts and other certifications
c. Ensuring all required documents are submitted and properly signed
d. If any discrepancies or missing documents are identified, applicants are notified and given a short window to provide the necessary information.

3. Verification by External Bodies

Following internal verification, the applications are forwarded to relevant external bodies for further validation. This step may involve:

a. Contacting educational institutions to confirm academic records
b. Verifying letters of recommendation with the referees
c. Checking financial documents through appropriate financial institutions or auditors
d. This thorough verification ensures the authenticity and credibility of all submitted information.

4. Interview Call

Candidates who pass the document verification stages are then called for an interview. The interview process typically involves:

a. An initial notification of the interview schedule
b. A panel interview with members of the Scholarship Committee
c. Discussion on the applicant's academic achievements, personal goals, and how they plan to utilize the scholarship
d. The interview allows the committee to assess the candidates' suitability for the scholarship beyond their documented achievements.

5. Approval and Scholarship Award

Based on the application, document verification, and interview performance, the Scholarship Committee makes the final decision. This includes:

a. Reviewing all gathered information and interview feedback
b. Selecting the most deserving candidates
c. Issuing approval letters to successful candidates
d. Unsuccessful candidates are also notified, with feedback provided when possible.

Timeline Overview:

Application Submission: By deadline

- Document Verification by Registry: 1 week
- Verification by External Bodies: 1-2 weeks
- Interview Call: 1 week after external verification
- Approval and Award: 1-2 weeks after interviews
